A Brief Glance

ASTEMAX BIOTECH is a company engaged in the manufacturing and marketing of pharmaceutical formulations. The journey of **ASTEMAX BIOTECH** started with a mission of total commitment to quality and ethics.

ASTEMAX BIOTECH started making its presence felt in the Indian Pharmaceutical market by adopting an ethical & professional approach. It has access to the best technical expertise in the areas of quality control and manufacturing processes.

It is an innovation-driven pharmaceutical developing a growing portfolio of the best-in-their-class pharmaceutical products. astemax attracts the best technologies with an uncompromising and inflexible passion for excellence to add value to the vision of the organization.

We are strengthening our ability to identify high-potential drug candidates by improving our market research and development processes, investing in new molecules and expanding our product portfolio. At the same time, we have entered into dozens of marketing alliances to gain access to new markets.

*....a way ahead
towards Happy Life....*

Quality

WHERE **QUALITY PRECEEDS** ALL
OTHER CONSIDERATIONS At, **ASTEMAX BIOTECH**,
quality is not a word or a symbol.

Quality is the way of life and thus we maintain. The commitment to provide quality and total quality and earn place of pride in the pharma industry.
Quality in products, Quality in process, Quality in people.

The company has pioneered the concept of competitive pricing by providing quality products at the most competitive prices throughout the country.

Quality has always been our top priority and for that we follow several stringent quality measures in accordance with the WHO rules and regulations.

Our team maintain a strict vigilance on each and every process of manufacturing from the procurement of the raw material to the dispatch of the finished products.

*The extra edge over others that
Makes all the difference....*

Our People

We have been attaining success with each and every one of our team members contributing to the same with passion and an unmatched sense of urgency.

We value performance achieved with integrity.

We treat our employees and valued customers as two sides of the same coin and build up an enduring and endearing relationship by understanding and fulfilling their needs so as to create a sense of belonging and respect for each other.

We inculcate a feeling of family togetherness and cultivate universal brotherhood in our approach and dealing, thereby creating a healthy interdependence.

At **ASTEMAX BIOTECH**, people are the source of all our abilities, all our success. Our future depends on our community of associates whose varied perspectives, experience and training fuels the creativity and the energy to pioneer pharmaceutical innovation.

The basic resource in any company is the people.

Values

There are certain core values that shape a company's chronicle and continue to re-define its future aspirations to serve its customers better. As a responsible pharmaceutical organization with an unrelenting commitment towards clients, our actions are driven by these core values.

We value what we do, we do what we value.

■ **Our Mission**

"Totally committed to quality & ethics for total customer care."

■ **Our Vision**

"To be identified as an epitome of healthcare & concern in the entire industry."

■ **Our Objective**

"To contribute our share to the community as a part of our social responsibility."

■ **Our Goal**

"To be among first 100 pharmaceutical company in India and hold this company in high esteem."

■ **We Believe**

Staying true to moral compass can:

Improve employee morale.

Strengthen customer relationships.

Improve company image in the community. Give a competitive edge.

Improve bottom line.

Create a better workplace with a strong sense of business ethics.
